

## Jones Lang LaSalle Canberra Awarded Property Business of the Year

Jones Lang LaSalle is delighted that our Integrated Facilities Management (IFM) business in Canberra won the prestigious Property Council of Australia's ACT Property Business of the Year Award for 2010.

We were recognised as a sustainable business, one that was founded on strong client relationships and had committed employees, who were well supported by the business.

Whilst we are delighted with the recognition, we would like to acknowledge our clients who appointed us to manage their portfolios, put their trust in us and have worked together with us to achieve mutually beneficial outcomes.

Over the past 18 months, Jones Lang LaSalle's IFM team has been the most successful property service provider in Canberra, winning a significant number of major, outsourced property management portfolios which have gone to public tender.

We are delighted to have renewed our relationship with Centrelink, representing the largest commercial government portfolio in Australia and expanded our relationship into Medicare Australia and the Department of Human Services. We are also excited to be working with the Department of Immigration and Citizenship and Department of Families, Housing, Community Services and Indigenous Affairs. Jones Lang LaSalle was appointed to manage all these portfolios in 2009.

As a result, our IFM business in Canberra has grown significantly over the last 18 months, and now our 42 Canberra based IFM staff manage on behalf of the Commonwealth:

- 1,034 leases
- 1.1 million sqm of space
- \$476 million p.a. of rent and outgoings payments

This growth is attributable to the lasting relationships we have built with our clients and we would like to thank them for their support and look forward to continue to deliver tangible benefits to their business and bottom line.
